

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

If such city be in possession or put in possession of such land, pending an appeal, the owners or parties entitled thereto shall be entitled to receive the money paid into court or set apart in the city treasury on account of the award appealed from, without prejudice to the appeal taken, but if the city shall have appealed, such money shall only be so withdrawn by leave of court, upon filing a bond in such sum and with such surety as shall be approved by the court or judge, to repay the amount by which such award shall be abated on such appeal, with costs. B., and bring him before me forthwith to answer to the city of Chilton on the complaint aforesaid.

Either party may challenge any juror as in any case before a justice of the peace, under the laws of this state, and deficiencies thereby or by any other cause occasioned, shall be supplied by talesmen to be selected and summoned by the officer. Executions issued upon judgment obtained for violation or non observance of ordinances or by-laws of the city may contain a clause directing the imprisonment of the defendant in the county jail or city lock-up, for such a time as shall have been provided by the ordinance under which the judgment shall be rendered, in case of the non-payment thereof by the defendant, and all fines, penalties and forfeitures, when collected, shall be paid into the city treasury for the use of the city. Jury to assess  
damages.

SECTION 10. Having ascertained the damages and expense of the said improvement as aforesaid, the jurors shall thereupon apportion and assess the same, together with the costs of the proceedings, upon the real estate by them deemed benefited, in proportion to the benefit resulting thereto from the proposed improvement, as nearly as may be, and shall describe the real estate upon which these assessments may be made. The award of the said jurors shall be signed by them, and returned, together with the testimony taken and the precept to the common council, within the time limited in such precept. The award and the certified copy of the said award so filed shall be *prima facie* evidence of the regularity of all the proceedings, from the presentation of the petition to the filing of said award inclusive. If no appeal is taken from either damages or benefit assessed in said award, the city clerk shall add the benefit so assessed and charged in said award to the lot, lots or parcels of land, to the taxes chargeable to such lot or lots in the annual tax roll issued next after the filing of a copy of such award with the clerk of the circuit court, and the same shall be a lien thereon, and collected as other taxes.

SECTION 12. Any person interested in any property taken, or upon which any benefits are assessed, may <sup>Appeal to circuit court.</sup> appeal to the circuit court of Winnebago county, Wisconsin, from damages awarded. Any person interested in any real estate upon which any such benefits or said damages or costs are assessed may appeal to the same court from such assessment of benefits, and also from such damages awarded; and if he appeals from both he must take it in one appeal; such appeal must be taken within ten days from the date of the filing of a copy of such award of the jurors with the clerk of the circuit court, as heretofore provided, by serving a notice upon the city clerk and filing the same with the clerk of said circuit court, which notice shall state from what such appeal is taken, and shall give and file with the clerk of said court an undertaking, signed by one or more sureties, to be approved by the clerk of said court, in the sum of five hundred dollars, conditioned to pay all costs which shall be awarded against him on such appeal. <sup>How appeal to be tried.</sup> Such appeal shall be tried as other issues of fact by jury, unless a jury is waived. tried *de novo* as to the question of the benefits. If there is an appeal from the damages and also an appeal from the benefits, by one or more parties, the appeal from damages only shall be tried, and if tried and determined, the appeal from the benefits shall be regarded as merged therein; if there shall be several appeals from benefits, they, by order of circuit court or the judge thereof, at the term or in vacation, without notice, shall be merged in one suit, in which all such appellants shall be plaintiffs; when there are several appeals from damages the same disposition shall be made thereof. If there are any damages awarded that have not been appealed from, then on such new trial the same shall be regarded as adjudicated and assessed *de novo* upon property found to be benefited as other damages found which were appealed from. All parties interested shall be entitled to be heard on any such appeal. If any parties interested claim that other lots or property upon which none of such benefits were assessed, should be assessed with a portion of such benefits, he may, at least ten days before such trial, notify the owner or parties interested therein of such claim, and require him to be present on such trial, and such party so notified shall be bound by the judgments in such case; if on such trial *de novo*, any property is assessed with benefits which was not assessed by the jury, (whose award is appealed from), the owner or party interested, if not so notified, shall be entitled at any time within twenty days after the entry of judgment, to a new trial, which the court in term, or the judge thereof in vacation, may grant upon due notice to all the parties who have appeared in any such suit by attorney, and when a new trial is so granted the same shall stand for trial upon the question of benefits only; the damages shall stand as adjudicated, and the jury on such new trial shall proceed to assess the same with costs, as herein provided, upon the lots and property which they find benefited, and in proportion as they may find the same benefited; *provided*, they shall not assess any such benefits upon any lots and property upon which no benefits were assessed upon the last trial thereof. Upon an appeal from damages, costs shall be awarded as follows: If the appellant's damages are increased ten per cent. he shall recover costs; if not, then defendant shall. In an appeal from benefits in any case in which there is also an appeal from damages which shall be tried and judgment entered, each party shall pay their own costs, but in all appeals for benefits in which the question of benefits only is tried, if any appellant shall diminish the benefits for which his interest in any property is assessed, he shall be entitled to costs, if not he shall be liable for costs; a party entitled to recover costs in such cases, shall recover fifteen dollars and no more, to be entered in the judgment for and against the parties respectively as aforesaid, as in case of judgment for damages, but only one bill of costs in any one case tried shall be recovered against the defendant or by the defendant against appellant or any one of them; if appellant is entitled to recover costs, the amount thereof shall be assessed by the jury on the lots and property found to be benefited, the same as damages; and if an appeal is taken from any judgment or order to the supreme court, and a judgment for costs is rendered against the defendant, the same shall be assessed in like manner as other costs on the property benefited. In no case shall the city of Oshkosh be liable for costs. In all such suits, the city of Oshkosh nominally shall be defendant. If no appeal is taken within twenty days, the award found and made therein of damages, or of the assessment of benefits, or both, shall be final. From any final award in such cases, the clerk of the circuit court shall make a certified copy of such final award at the expense of the city, on demand of the city clerk, and the fees of the clerk of the circuit court for such copy shall be ten cents per folio, and upon and from such copy of the final award, the city clerk shall enter in the city tax roll of the city, and against property assessed for benefits, the amounts so charged and assessed upon the lots and

# MEMORIALS TO CONGRESS.

No. 1.

**MEMORIAL TO CONGRESS** for an appropriation to aid in the completion of the Sturgeon Bay and Lake Michigan Ship Canal and harbor, and to extend the time for the completion thereof.

*To the senate and house of representatives of the United States, in congress assembled :*

The memorial of the legislature of the state of Wisconsin respectfully represents: That in the year 1866, congress made a grant of 200,000 acres of land to the state of Wisconsin, to aid in the construction of a ship canal from Sturgeon Bay to Lake Michigan, and to construct a breakwater and harbor at the mouth of such canal in Lake Michigan; that by the terms of said grant, the lands so appropriated could not be used or made available for the commencement of this important work, nor for the prosecution or completion thereof within the time required; that for the purpose of prosecuting said work, the state conferred said grant upon a corporation, created, organized and known as the Sturgeon Bay and Lake Michigan Ship Canal and Harbor Company; that this company has constructed more than one-quarter of said canal, mostly from its own resources and private subscriptions; that said company has exhausted all reasonable efforts to borrow money to prosecute the work, by pledging the entire land grant and canal for security, but owing to the depreciation of said grant, in consequence of the destructive fire of 1871, which destroyed much of the timber thereon, and the unusual terms of the act granting said lands, in authorizing the government of the United States to take possession of said canal when completed, the company has been unable to raise means to prosecute the work. Your memorialists therefore ask that congress appropriate the sum of one hundred thousand dollars to aid in the completion of said canal and harbor, and that the time for completing the same be extended three years from the first day of July next.

Approved February 6, 1877.

## No. 2.

**MEMORIAL TO CONGRESS** for the extension of a mail route from the town of Stettin, in Marathon county, Wisconsin, to the town of Rib Falls, in said county.

*To the honorable, the senate and house of representatives in congress assembled :*

The memorial of the legislature of the state of Wisconsin, respectfully represents: That the interest and convenience of a large and rapidly increasing number of the inhabitants of Marathon county, in the state of Wisconsin, requires the extension of the mail route now existing from Wausau to the town of Stettin, such extension to commence at Stettin and end at Rib Falls, in the town of Rib Falls, in Marathon county, Wisconsin. And your memorialists would respectfully ask that said extension, with weekly service thereon, be ordered and established at the earliest practicable period.

Approved February 23, 1877.

## No. 3.

**MEMORIAL TO CONGRESS** for the establishment of a mail route from Barron, the county seat of Barron county, Wisconsin, to the village of Sand Creek, in Dunn county, Wisconsin, via Mooney's Mills, Sylvan springs and Sioux Creek.

*To the honorable, the senate and house of representatives, in congress assembled :*

The memorial of the legislature of the state of Wisconsin, respectfully represents: That the interest of a large and rapidly increasing number of the inhabitants of Barron county, in the state of Wisconsin, require the establishment of a semi-weekly mail route from the village of Barron, the county seat of Barron county, via Mooney's Mill, Sylvan Springs and Sioux Creek, to the village of Sand Creek, in Dunn county, Wisconsin. And your memorialist therefore respectfully asks that such mail service be established at the earliest practicable period, and that a postoffice be established on said route at Sioux Creek, under the name of Sioux Creek.

Approved February 23, 1877.

## No. 4

**MEMORIAL TO CONGRESS** for the enactment of laws for the improvement of the condition of the Oneida Tribe of Indians located on the reservation in the counties of Brown and Outagamie, and in the interest of civilization and humanity.

*To the honorable, the senate and house of representatives, in congress assembled:*

The memorial of the legislature of the state of Wisconsin respectfully represents:

That in the counties of Brown and Outagamie, in this state, there are about 1,337 Indians of the Oneida tribe located on a reservation of about sixty-five thousand acres of land.

That the said Indians are in a deplorable condition, without the necessities of life, and, under the present policy of the government, without ambition or stimulus for exertion and improvement, and are retrograding in civilization and capacity for self-maintenance.

That in the opinion of your memorialists, the true interests of humanity and civilization dictate that a radical change should be made in the government, condition and prospects of the said Indians, who are themselves anxious and eager that a different policy should be adopted in their behalf.

Therefore, in the interest of the said tribe of Indians, and for their elevation, improvement and civilization, your memorialists respectfully ask that a law, or laws, may be passed by your honorable bodies as follows:

First. Providing for the allotment to each head of a family, and to each of such other Indians in said tribe as shall be deemed best, land in said reservation to an amount not exceeding eighty acres; and for the sale of the balance of the land in said reservation which shall remain after such allotment; and for the permanent investment of the proceeds of such sale for the benefit of said tribe.

Second. Providing that all real estate so allotted to any of the said tribe of Indians, shall not be alienated by the owner thereof, and that with this exception all civil and criminal laws of the state shall apply to the members of the said tribe of Indians, except such laws as would permit them to vote and to hold office.

Third. Providing for a commission which shall determine, from time to time, what members, if any, of the said tribe are of sufficient intelligence and character to merit the right to vote, and to hold office, and conferring such right upon any such members of the said tribe as may be adjudged by such commission to be worthy and qualified for it.

*Resolved by the Assembly, the Senate concurring, That the gov-*

ernor of this state is hereby respectfully requested to transmit a copy of this memorial to each of our senators and representatives in congress from this state.

Approved February 23, 1877.

**MEMORIAL TO CONGRESS** for the extension of a mail route from the town of Berlin, in Marathon county, Wisconsin, to the town of Hamburg, in said county.

*To the honorable, the senate and house of representatives, in congress assembled:*

The memorial of the legislature of the state of Wisconsin respectfully represent: That the interest and convenience of a large and rapidly increasing number of the inhabitants of Marathon county, in the state of Wisconsin, require the extension of the route now existing from Wausau to the town of Berlin, such extension to commence at Berlin and end at the house of Friedrich Sellin, in the town of Hamburg, in Marathon county, Wisconsin; and your memorialists would respectfully ask that said extension, with weekly service thereon, be ordered and established at the earliest practicable period.

Approved February 24, 1877.

No. 6.

**MEMORIAL TO CONGRESS** for increased mail service in the northern portion of Sauk county.

*To the honorable, the senate and house of representatives of the United States, in congress assembled:*

Your memorialists, the legislature of Wisconsin, represent as follows: That the interest of the inhabitants and business men of the northern portion of Sauk county, Wisconsin, requires an increase in the mail facilities there, and an increased mail service is asked, to wit: That a mail route be established from Baraboo, Sauk county, via Delton to Kilbourn City, Columbia county, and daily mail service ordered thereon. And your memorialists would respectfully ask that said mail service be established as aforesaid, at the earliest possible period.

Approved February 28, 1877.

## No. 7.

**MEMORIAL TO CONGRESS** for an appropriation to aid in a survey of the St. Croix river, Wisconsin.

*To the honorable the senate and house of representatives of the United States in congress assembled:*

WHEREAS, The St. Croix and St. Louis rivers form a portion of the boundaries between the states of Wisconsin and Minnesota, and

WHEREAS, These rivers not being wholly in either of said states, have been overlooked by our senators and representatives in congress, no appropriations having been made by congress, consequently there has been no legal survey or examination to prove the feasibility of connecting these waters by canal; and

WHEREAS, The navigable waters of the St. Croix are one hundred miles nearer to the Bay of Superior, at the west end of Lake Superior, than that of any other river in Wisconsin or Minnesota; and

WHEREAS, The proximity of the navigable waters of the St. Croix to the Bay of Superior is such as to render it feasible, and only a question of time when said waters will be connected by a canal; and

WHEREAS, The great wheat growing region of Wisconsin, Minnesota and Dakota demand outlets or water communication to the great lakes, this is deemed an important undertaking; and

WHEREAS, The benefits which the government would derive from the improvement thus contemplated, in shortening the distance for transportation of government troops, and supplies from the northwestern states, via Lake Superior, St. Marie's river and Lake Michigan, more than six hundred miles, thus saving an enormous annual expenditure to the government, which would soon far exceed the amount required to connect the said waters by canal. Therefore, be it

*Resolved by the senate, the assembly concurring,* That our senators and representatives in congress are hereby requested to use their best endeavors to obtain a preliminary survey of said projected route; and

*Resolved,* That the secretary of state forward certified copies of these resolutions to each of our senators and representatives in congress.

Approved February 28, 1877.

## No. 8.

**MEMORIAL TO CONGRESS** for right of way and a grant of land for railroad purposes, to aid in building a road through northern Wisconsin.

*To the senate and house of representatives of the United States, in congress assembled:*

Your memorialists, the legislature of the state of Wisconsin, respectfully represent, that the rapidly increasing settlements of the Northwest, the surplus agricultural products and material developments, demand greater and cheaper facilities than now exist, and a more direct transit to the Atlantic seaboard and European ports, and eastern products transported to the Northwest.

That the saving in the distance to eastern markets of three hundred miles, by a railroad route from St. Paul by way of the St. Croix valley, to St. Croix Falls and Clam Falls, Wisconsin, to Sault St. Marie, will tend to more fully develop the great wheat growing regions of Wisconsin, Minnesota, Dakota, Huron and Montana. The surplus of wheat forms one of the most reliable exports from our country; by shortening the distance to European markets three hundred miles, we give encouragement to the producers of this great source of wealth, who deserve aid and protection. The nearest transit makes cheap transportation, and therefore helps to develop the country and increase its prosperity. That by reason of the facts set forth in this memorial, and further this object, we ask congress to donate land to aid, and the right of way through government land, to build a railroad from the city of St. Paul, in Minnesota, to the Falls of Sault St. Marie, where it will connect with railroad enterprise aided, fostered and built by the Dominion government. Your memorialists, therefore, earnestly request that the matters aforesaid may receive the early and favorable consideration of congress.

Approved March 1, 1877.

## No. 9.

**MEMORIAL TO CONGRESS** for increased mail facilities in the western portion of Oconto county.

*To the honorable the senate and house of representatives of the United States, in congress assembled:*

Your memorialists, the legislature of the state of Wisconsin, represent as follows: That the interest of the inhabitants and busi-

ness men of the western part of Oconto county, Wisconsin, also the many lumbering men who reside elsewhere, but do business in said part of Oconto county, requires an increase in the mail facilities there, and an increased mail service is therefore asked, to wit:

That a mail route be established from Keshena, Shawano county, to Langlade, Oconto county, and mail service twice a week ordered thereon; also that a post office be established at Frydenlund, Oconto county, in town 35, range 12 east, and a weekly mail service be ordered between Langlade and said Frydenlund.

And your memorialists would respectfully ask that said mail service and post office be established as above said, at the earliest possible period.

No. 10.

**MEMORIAL TO CONGRESS** for mail service from Eau Claire to Rice Lake, in Barron county.

*To the honorable, the senate and house of representatives of the United States, in congress assembled:*

The memorial of the legislature of the state of Wisconsin, respectfully represents that the interest and convenience of a large and increasing population of Dunn and Barron counties, require the establishment of a tri-weekly mail from Eau Claire, *via* Land Creek, in Dunn county, to Chetek and Rice Lake, in Barron county. Your memorialist would therefore respectfully ask that tri-weekly mail service be established on such route at the earliest practicable period.

**MEMORIAL TO CONGRESS** for the establishment of a mail route from Friendship, in the county of Adams, to Liberty Bluffs, in the county of Marquette.

*To the honorable, the senate and house of representatives of the United States, in congress assembled:*

The memorial of the legislature of the state of Wisconsin, respectfully represents: That the interest and convenience of a

large number of the people of said counties, and of persons doing business through the mails at the county seat of said Adams county, requires the establishment of a mail route from Friendship, the county seat of said county, to Liberty Bluff, on the Wisconsin Central railroad. Your memorialists respectfully ask that said mail route be established at the earliest practicable period.

Approved March 7, 1877.

No. 12.

**MEMORIAL TO CONGRESS** to provide fish-ways to the dams on Fox river.

*The memorial of the senate and assembly of the state of Wisconsin to the congress of the United States of America, respectfully represents :*

That by the construction of the government dams upon the Fox river of Wisconsin, the fish of the great lakes cannot pass up the said river above De Pere, six miles from the mouth of said river, and the fish usually found in said stream and its tributaries are rapidly disappearing, to the detriment of a very large population. Your memorialists do therefore most respectfully ask your honorable body by suitable legislation to authorize and direct the construction of a fish-way, to each such dam, under the direction of the bureau of the United States topographical engineers.

Approved March 7, 1877.

No. 13.

**MEMORIAL TO CONGRESS** for a survey of Wolf river, from Lake Poygan to the mouth of Red river.

*To the honorable, the senate and house of representatives of the United States, in congress assembled:*

Your memorialists, the legislature of Wisconsin, represent as follows: That the interests of the inhabitants and business men of the state of Wisconsin, and more particularly those doing business on the Wolf river and its tributaries, require and need a survey of Wolf river, from Lake Poygan in Winnebago county, to the mouth of Red river, in Shawano county. Your memorialists would respectfully ask that said survey be made at the earliest possible period.
